The following list is a compilation of links and contacts provided by each National Agency mentioned.

**Basic guidance on information resources**
**at European level and participating countries**

**European sources**

http://www.europa.eu.int/eures/
The easy way to find information on jobs and learning opportunities throughout Europe. Job vacancies in 31 European countries, CVs from interested candidates, what you need to know about living and working abroad and much more brought to you by the EURES network.

The Network offers support and advice to businesses across Europe and helps them make the most of the opportunities in the European Union. Our services are specifically designed for small and medium enterprises (SMEs) but are also available to all businesses, research centres and Universities across Europe.

http://www.euroguidance.net/
The Euroguidance network is a network of centres linking together the Careers Guidance systems in Europe. Euroguidance promotes mobility, helping guidance counsellors and individuals to better understand the opportunities available to European citizens throughout Europe.

http://ec.europa.eu/ploteus/home.jsp?language=en
PLOTEUS aims to help students, job seekers, workers, parents, guidance counsellors and teachers to find out information about studying in Europe.

www.fedora.eu.org
*FEDORA* is an organisation for those involved in all aspects of student guidance

www.europplacement.com
Globalplacement.com was founded in 2003 as an online mediation agency for international internships, graduation assignments and traineeships. The Dutch success formula of *Stageplaza.nl* (Dutch market leader in online mediation for students) founded Globalplacement.com. The web site is the answer to the high demand for foreign internships, increasing mobility among students worldwide and quickly reducing international trade barriers.
