International IT Internship (UK)
(Minimum 12 weeks)

**MM Barcoding Ltd.** is an expanding company located in St. Helens, between Liverpool and Manchester. We are specialized in barcode labeling equipment and its services.

**We offer:**
- Some of the best known and most well established internships in Europe
- The opportunity to work in a dynamic team with people from all over the world
- The possibility to take real responsibility and to gain real professional experience
- The opportunity to significantly improve your English by living and working in a British business environment

**Your tasks will be:**
- Network Administration
- Mail & web server maintenance
- Data storage backup
- Troubleshooting of hardware and software (solving users’ problems)
- Training, induction and employees’ support
- Service management system installation
- Voice over IP
- Software selection & Support
- Development of IT strategy

**You should:**
- Have good English skills (fluent or mother tongue)
- Be serious, ambitious and self-motivated
- Be flexible and able to manage several tasks at the same time
- Be able to work in a team and have good communication skills
- Have a good IT-background
